## What Is Vital Select E13 / E15?

Vital Select E13 / E15 is built for busier, more complex in-store environments that need full-featured management, analytics, and insights tools. Think full-service restaurant and high-traffic, high-inventory retail stores. The E13 / E15 is a cloud-based solution that provides powerful tools to help you run your entire business.

## What Types Of Businesses Use Vital Select E13 / E15?

### Good For Merchants Who...

- ...are seeking an all-in-one register solution
- ...have experience w/ POS technology – countertop/wireless terminals/registers
- ...desire cutting edge mobile technology w/ touch screen capability
- ...may have experience with competitor products

### Vital Select Value

- Standalone, all-in-one POS
- Optional hardware accessories like kitchen printers, BT scanners, Pay at Table, etc.
- Customer-facing touch display, allows for on-screen tipping and signature capture
- Menu/inventory pre-loaded along with over-the-phone training from a Vital expert
- Cloud-based back office with robust sales reporting/management capabilities

### Best Industry Fits

- SMBs with low-to-high sales volume and ticket size
- Brick and Mortar Retailers
- QSR / fast casual Restaurants/ delis
- Light seated restaurants
- Tobacco/liquor stores (cannot be online)
- Convenience stores
- Deli style restaurants
