

Vital Select X8

Powerful & Compact

What Is Vital Select X8?

Vital's Select X8 is a cost-effective integrated POS that removes clutter from your merchant's countertop. This efficient unit replaces older stand-alone terminals and ECRs by combining the functions of card payments and software to help your merchants manage their business in an all-in-one compact design. This helps them process transactions quickly, securely and efficiently, even during peak hours.

What Types Of Businesses Use Select X8?

Good For Merchants Who...

- ...are seeking an all-in-one register solution
- ...have experience w/ POS technology – countertop/wireless terminals/registers
- ...desire cutting edge mobile technology w/ touch screen capability
- ...may have experience with competitor products
